To Shield Medicare's Swansea Manufacturing Facility (Ecolab)

Travelling by Train

Trains from London are every hour from Paddington station to Swansea or Neath. From there take a taxi to Welsh address.

Travelling by Aeroplane

Cardiff International Airport is the closest to the facility. Travelling by car from all London Airports, use the directions 'From the East'. Travelling by car from Birmingham, East Midlands or Manchester, use the directions 'From the North'.

Travelling by Car

From Cardiff Airport: Leave the airport and follow signs for M4 (West). On reaching M4 follow signs for Swansea. Then use directions 'From the East'.

From the East: Follow M4 for Swansea. Leave motorway at Jct 41 signed for Briton Ferry. At first roundabout, take second exit signed A48 Swansea, Carmarthen. At next roundabout, take first exit. Follow road under motorway, take next left. Ecolab is next right.

From the West: Follow the M4 for Swansea/Cardiff. Leave motorway at Jct 42. Follow the A48 (signposted Briton Ferry) over the bridge. Keep in the right hand lane and at roundabout take the 4th exit (signposted Baglan Energy Park Phase 2). Follow road under motorway, take next left. Ecolab is next right.

From the North: Follow on the A465 until you reach the Llandarcy roundabout. Take the 1st exit (signposted M4 Cardiff). Stay on the slip road (M4 Jct 42) and follow the A48 (signposted A48 Aberavon). Follow the A48 (signposted Briton Ferry) over the bridge. Keep in the right hand lane and at roundabout take the 4th exit (signposted Baglan Energy Park Phase 2). Follow road under motorway, take next left. Ecolab is next right.
